## Anti-Bullying policy

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Summerhill College, Sligo has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.
  
2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:
  - A positive school culture and climate which-
    - is welcoming of difference and diversity and is based on inclusivity;
    - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
    - promotes respectful relationships across the school community;
  - Effective leadership;
  - A school-wide approach;
  - A shared understanding of what bullying is and its impact;
  - Implementation of education and prevention strategies (including awareness raising measures) that-
    - build empathy, respect and resilience in pupils; and
    - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
  - Effective supervision and monitoring of pupils;
  - Supports for staff;
  - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
  - On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

***Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.***

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

See Appendix 3 for a more detailed list of Types of Bullying Behaviour.

4. The **relevant teacher(s)** for investigating and dealing with bullying is (are) as follows:

Principal  
Deputy Principal  
Year Heads

Every member of the school community should report the disclosure of bullying to a relevant teacher.

- 5 The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- Full implementation of the SPHE, RSE and CSPE programmes and curricula to ensure that school culture supports a safe social and personal environment. Training for staff in delivering these programmes. Training for SPHE teachers on: resolving bullying, internet safety and cyber bullying, sexual orientation and homophobia.
  - School wide training on bullying which would include all school personnel, students and parents.
  - School wide delivery of lessons on relational aggression (A friend in Deed), Cyber Bullying (Be Safe-Be Webwise, Think Before You Click, Lets Fight It Together), Homophobic and Transphobic Bullying (Growing Up LGBT, Stand Up Programme), Diversity and Inter culturalism (Changing Perspectives).
  - Delivery of the Garda SPHE Programmes around personal safety and cyber bullying.
  - Whole school awareness measures eg. Mental Awareness Week, Friendship Week, parents seminars, term student surveys, regular reinforcement through the class tutor system with Year Heads ensuring regular awareness raising.
  - Development and promotion of an Anti Bullying code for the school (See Appendix B). This will be included in student journals and displayed publicly in common areas of the school and in classrooms.
  - Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra curricular activities. Non teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school. The Acceptable Use Policy for IT will ensure supervision is always in place when students are online. Students do not have access to social networking sites in the school.
  - Mentoring will be used to help support the 1<sup>st</sup> Year students transition.
  - Ensuring that students know who to tell and how to tell, eg:
    - Direct approach to teacher, for example after class
    - Hand note up with homework.
    - Make a phone call to the school or to a trusted teacher.
    - Get a friend or parent to tell on your behalf.
    - Administer a confidential questionnaire once a term to all students
  - Teachers as individuals have a major role to play in building a positive school culture eg Two actions each teacher can make to prevent homophobic and transphobic bullying are: acknowledge that there are LGBT people in the school community, as pupils, as staff, as parents. Use inclusive language in the classrooms and create opportunities to address LGBT issues. Challenge unacceptable use of language every time. The use of the term “gay” as a derogatory term should be challenged every time.
